¹ Please read this note before filling in the application form:

Participation in the study visits to SUMP best practices organized in the framework of the BUMP project is reserved to cities, applying following the criteria and guidelines provided in the call for applications available at: www.bump-mobility.eu

Each city is required to choose a representative (either a senior technical officer or a political decision maker), whose position and functions are relevant in the evaluation of the application. A description of the main skills and competences of the city's representative has to be sent with the application.

The applicant city's motivation is evaluated, based on concrete plans to develop a new SUMP or revise an existing one. Evidence of this has to be provided in the form of official documents and decisions in case these are available in the city's website or elsewhere, links should be provided for download.

Please read carefully the call for application before filling in the application form.

AND DECLARES

- that the city's population is of inhabitants;
- that participating in the study visit would be beneficial, since it is the city's intention to develop a new SUMP/revise the existing SUMP as described underneath

(provide a synthetic description of how and why participating in the visit would support this)
